PARCEL POST INFORMATION.

[The numbered sections mentioned in this pamphlet refer to the parcel post regulations, a copy of which may be consulted at any post office.]

The act of Congress authorizing the establishment of a parcel post system provides that on & after January 1, 1913, fourth class mail matter shall embrace all other matter, including farm & factory products, not now embraced by law in either the first, second or third class,

THE HOUSE OF QUALITY PHONE 860 D. M. YOST CO. DRESS GOODS and TRIMMINGS

not exceeding 70 pounds in weight in first, second and third zones, and 50 pounds beyond, nor greater in size than 84 inches in length & girth combined, nor in form or kind likely to injure the person of any postal employee or damage the mail equipment or other mail matter, & not of a character perishable within a period reasonably required for transportation & delivery.

Rates of Postage.

Parcels weighing four ounces or less are mailable at the rate of one cent for each ounce or fraction of an ounce, regardless of distance. Parcels weighing more than four ounces are mailable at the pound rates shown in the following table, a fraction of a pound being considered a full pound.

The objects of the Association are as follows:

FIRST: To improve the directory business by the interchange of ideas and by the exchange of competent employees.

SECOND: **To protect the public against fraudulent advertising schemes, operated under the name of directories, and to drive the promoters of such out of the business.**

THIRD: To provide permanent and continuous employment for honest and faithful directory canvassers.

FOURTH: For the mutual advancement of the established and prospective interests of all who may become members of the association.
